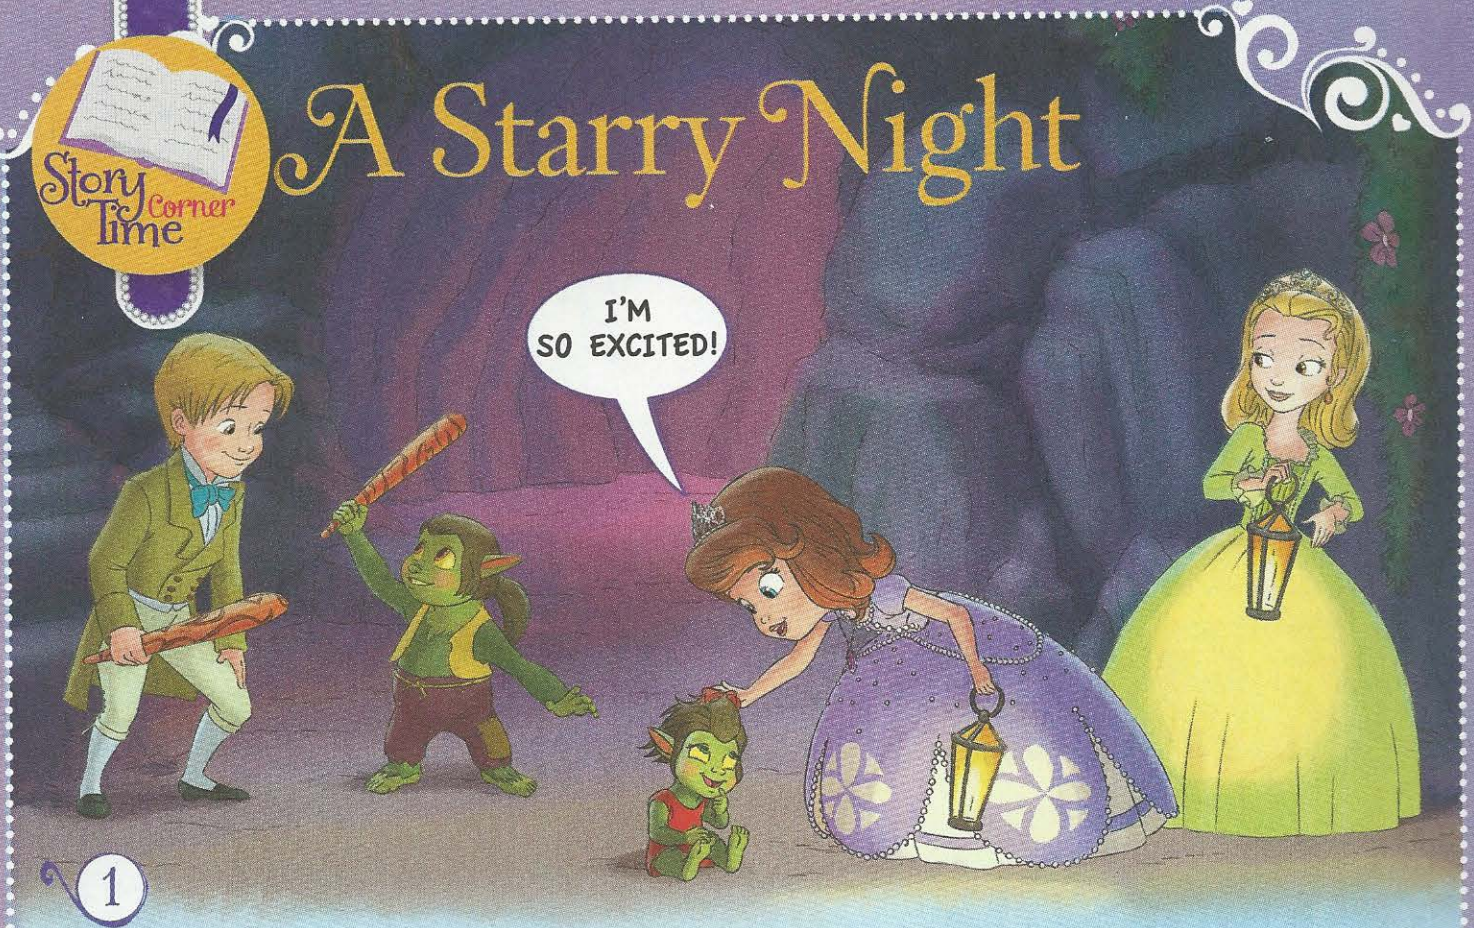
Story Time Corner

A Starry Night

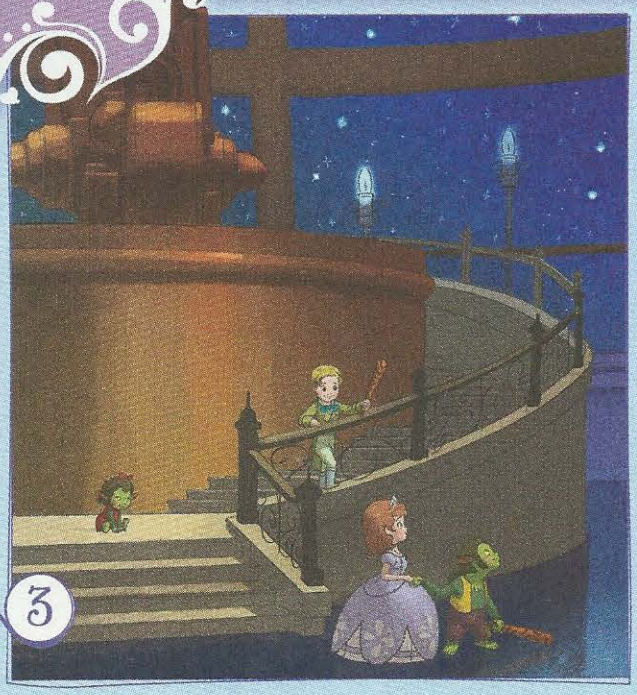


1

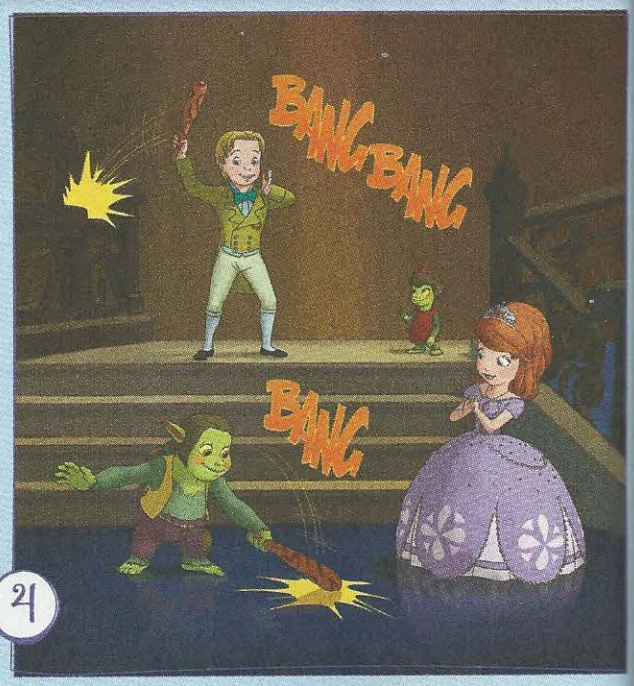
Tonight is an amazing night! James, Amber, and I are having a party in the observatory of our castle with our troll friends, Gnarlie and Teeny. They live in the cave under the castle. They are very nice, but no one knew they were there before I found them.

2

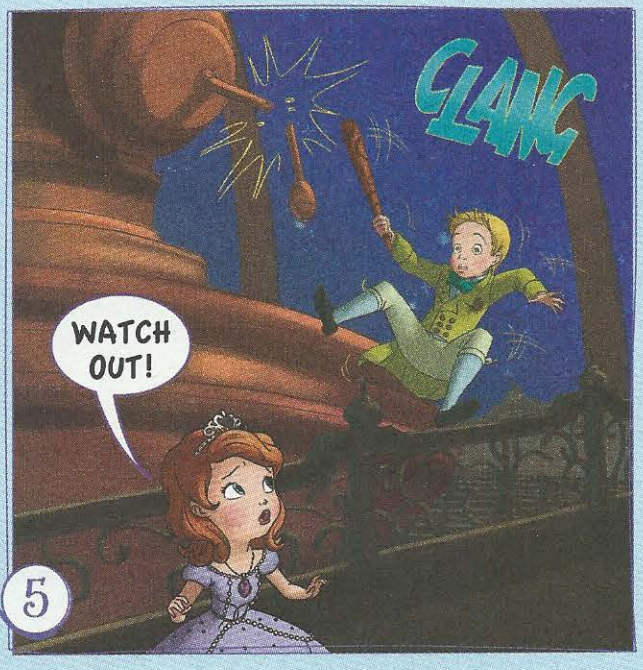
Dad thought trolls were dangerous, but when I introduced them to him, he saw he was wrong. They are now allowed to come to the castle whenever they like.



Gnarlie and Teeny love the observatory. Sunlight is too strong for trolls, but they like looking at the twinkling of the stars. This is definitely the perfect place.

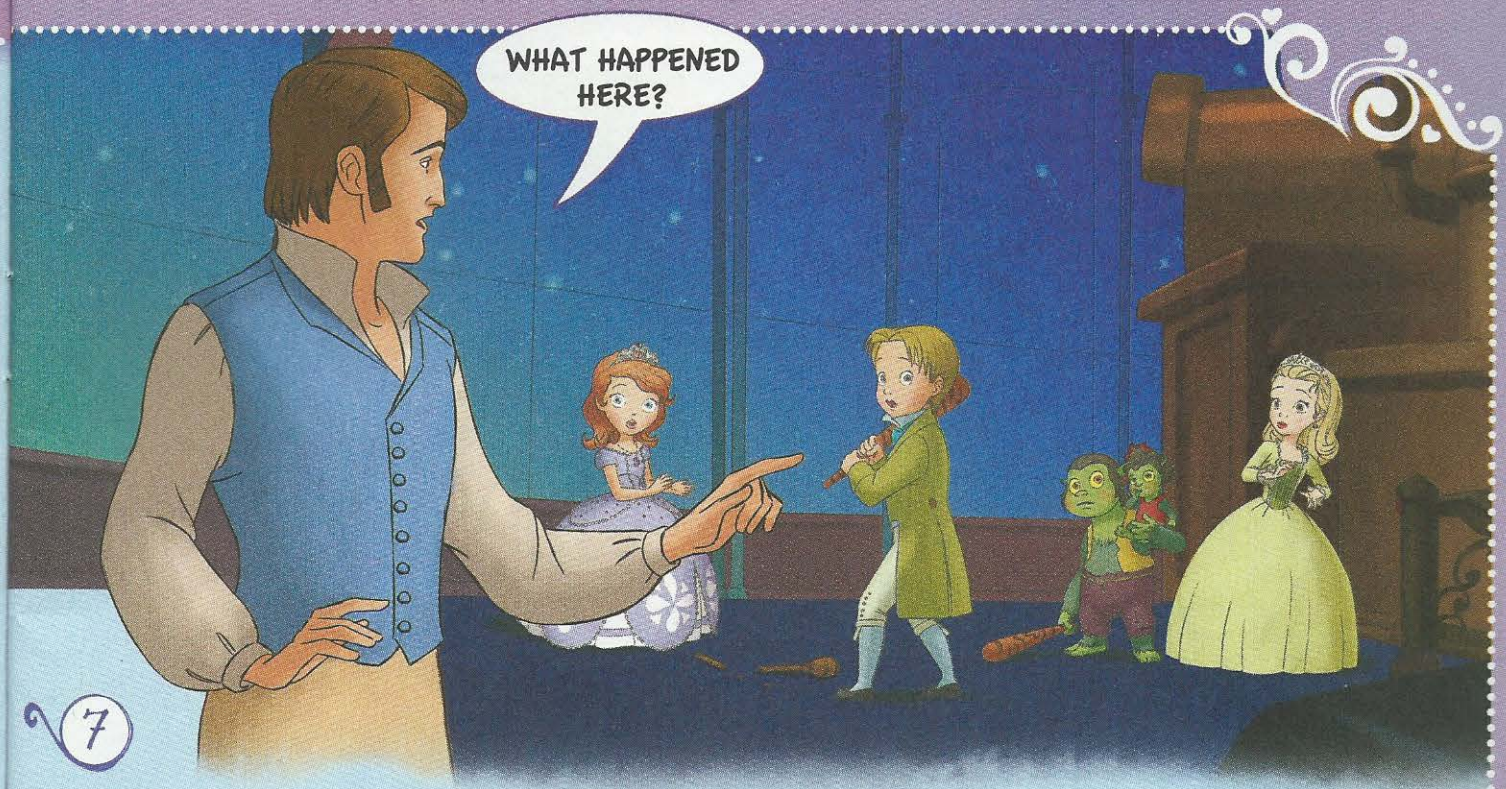


"Make some noise!" James says. Trolls make music by banging their clubs on the floor, and they are so good at dancing. James really enjoys joining in with them.



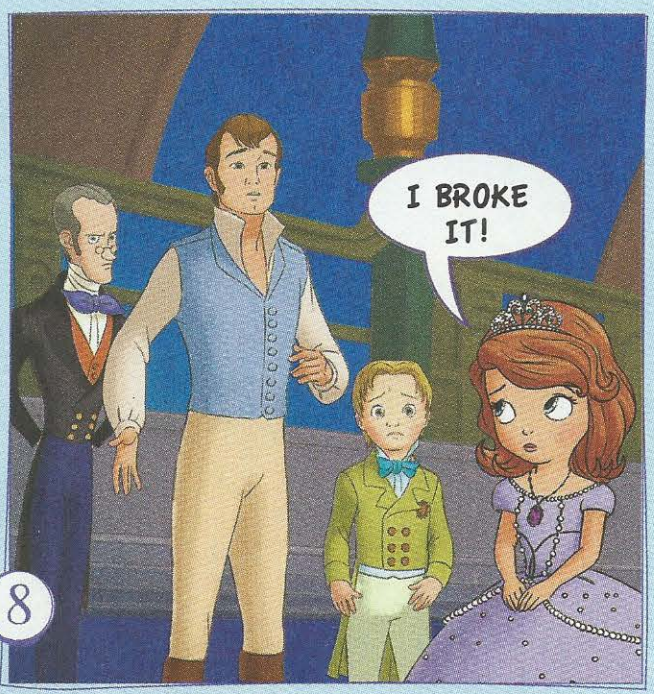
James bangs his club. I shout to stop, but... it's too late. He hits the lever of the telescope and breaks it!

What a mess. We have to go tell Dad. "Wait! You can't tell him," James says. "He won't let me stay at the party!"



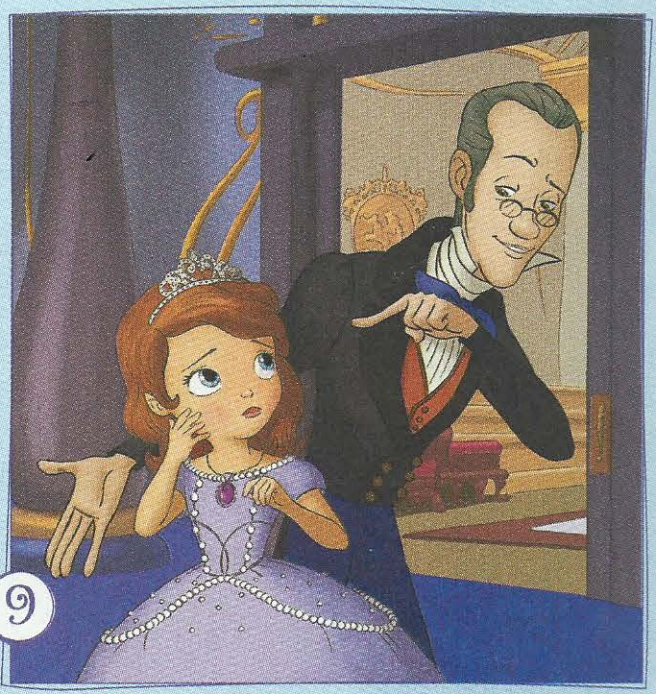
7

In fact, just then, Dad comes in to see if we're okay, and... he immediately notices the broken lever. What are we going to do now? "What happened here?" he asks. Uh-oh! He doesn't look happy at all, I need to do something.



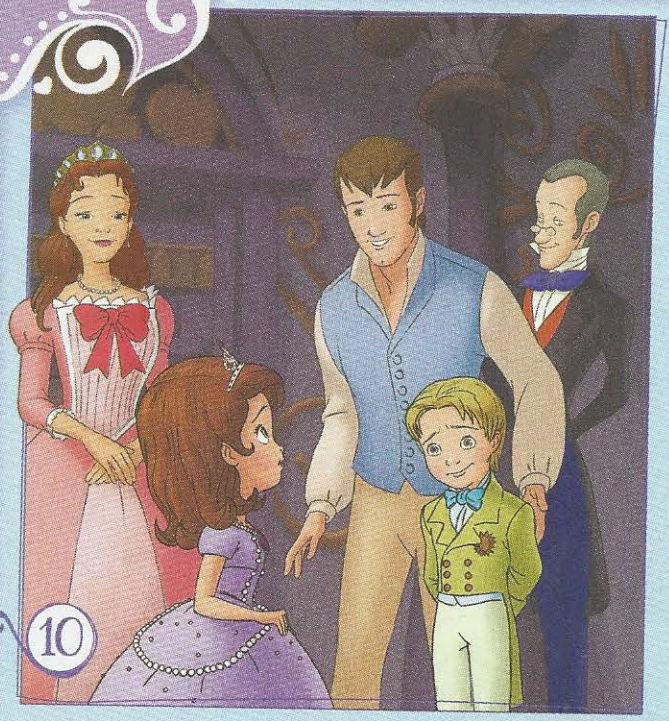
8

"I'm sorry, Dad. It was my fault..." I whisper. Dad says I should be punished and asks Baileywick to escort me back to my room. There will be no more fun for me tonight.

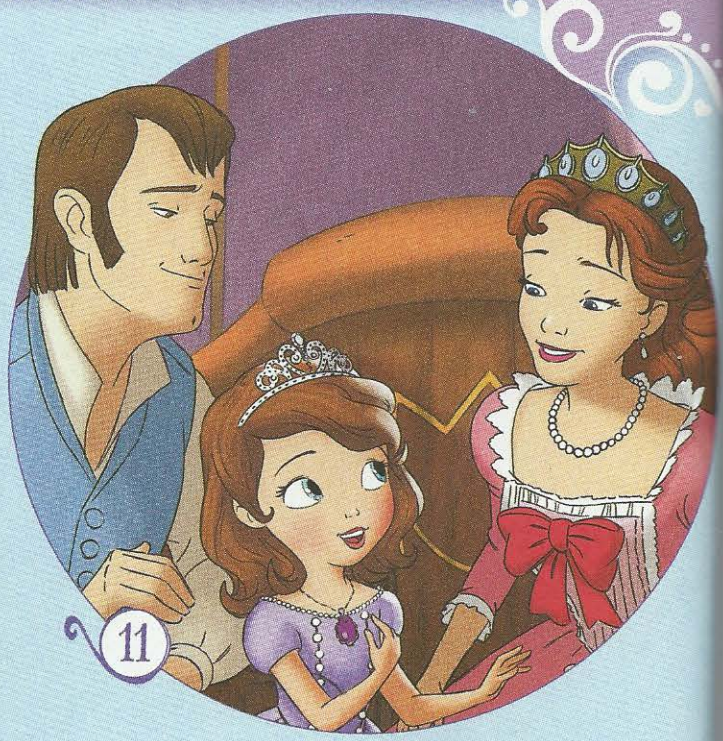


9

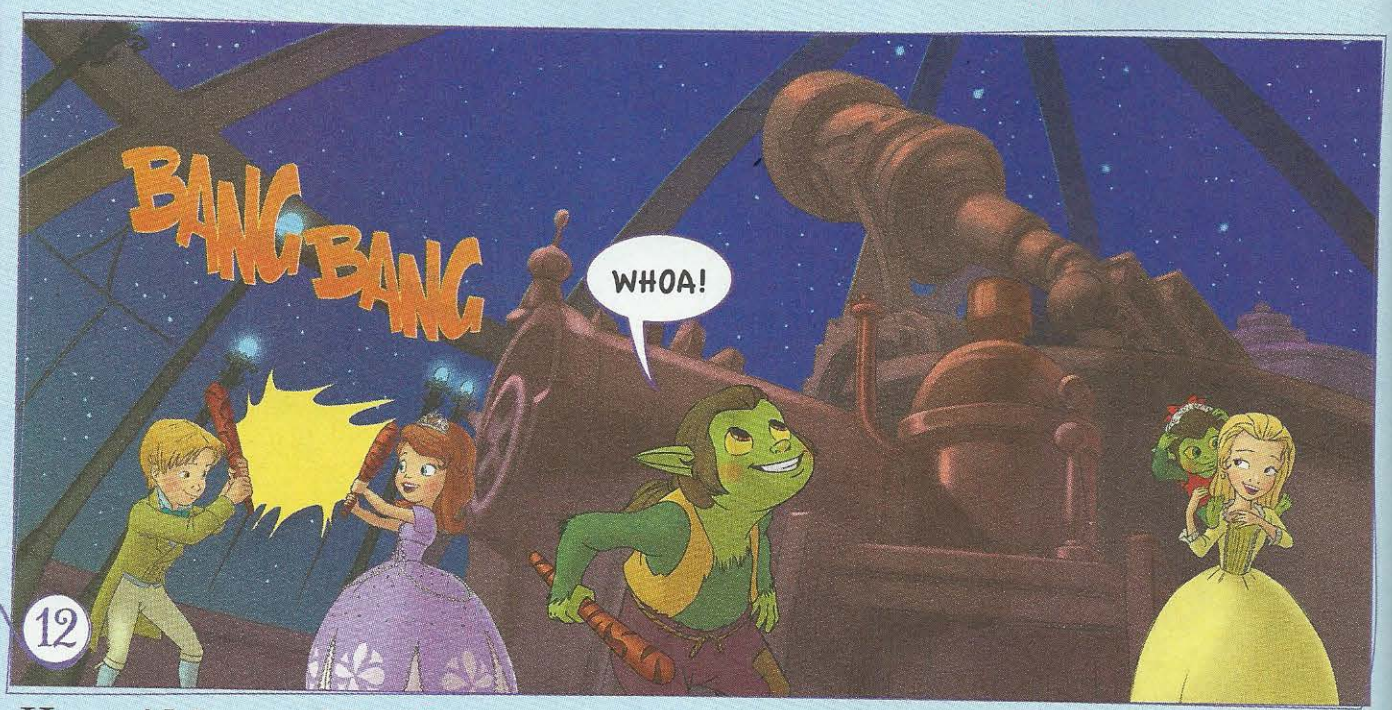
"Why did you tell a lie, Sofia? I'm sure it wasn't you who broke the lever," Baileywick says. I'm surprised, but I confess that I didn't want James to be blamed!



Then, Mom and Dad come in with James. He told them the truth, because he didn't want me to be punished. I guess he cares for me, as much as I care for him.



"Families need to be honest and not keep secrets from each other." Mom says. Yes, lies are never good and I'll always say the truth from now on. I promise!



Hurray! Mom and Dad forgave us, and now we are all back in the observatory. The stars are so bright tonight. We can make some noisy music together, and have more fun. This is the best party ever!

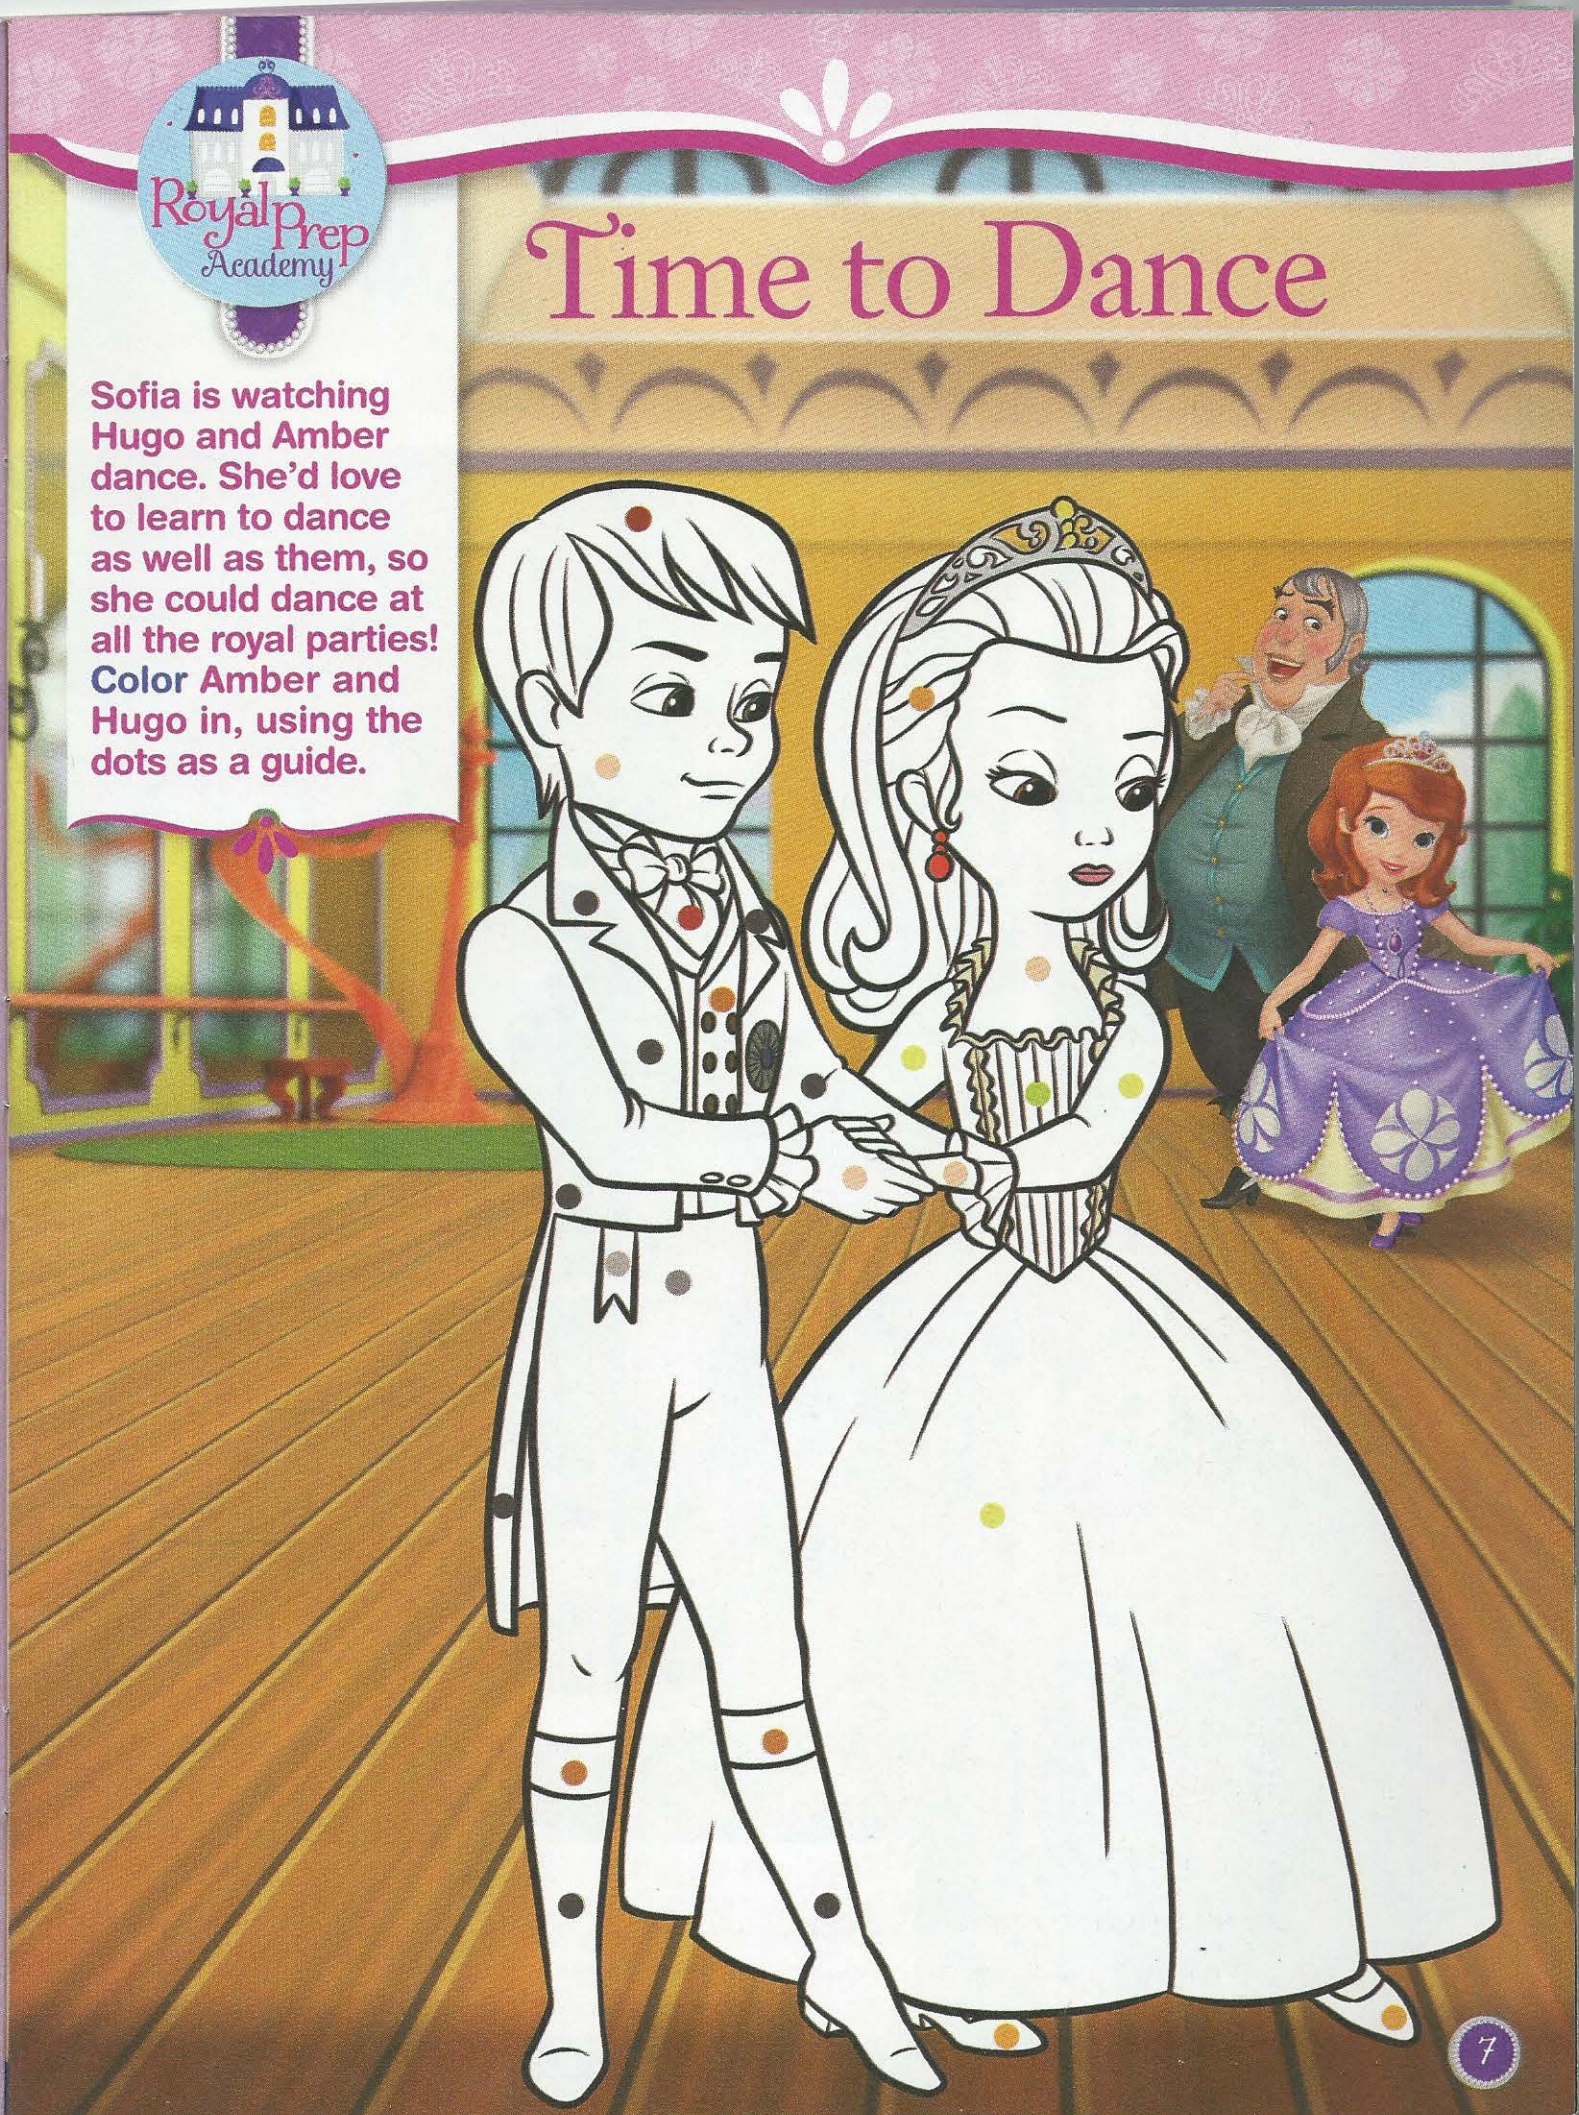
Time to Dance

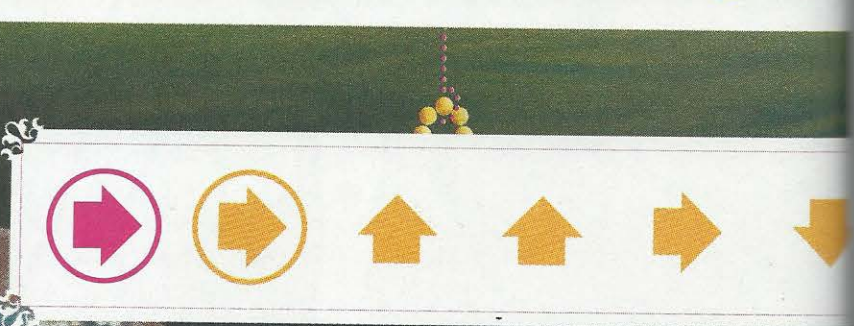
Sofia is watching Hugo and Amber dance. She'd love to learn to dance as well as them, so she could dance at all the royal parties! Color Amber and Hugo in, using the dots as a guide.



Sofia's Journeys

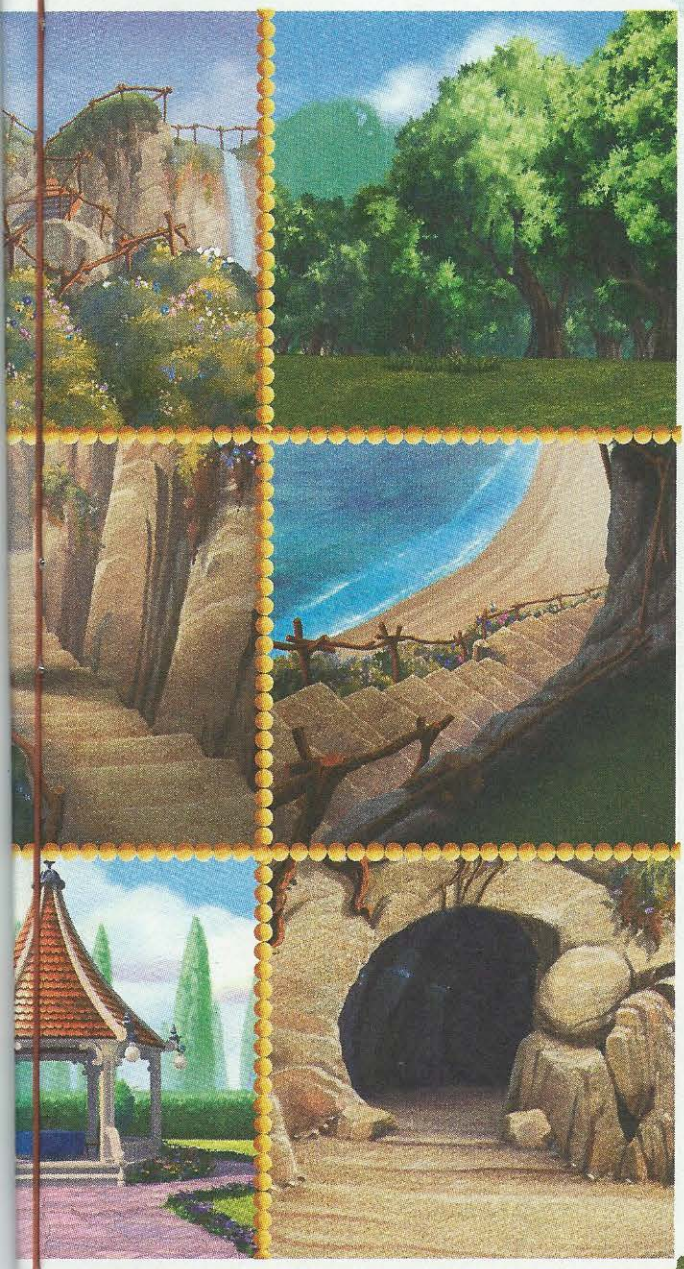
Special Guests

Sofia is planning a party at the castle, and she would like some special guests to attend. Which way should she go to give the trolls an invitation? Follow the yellow arrows to find the right path to the cave.



An Elegant Invitation

Sofia gives the trolls a beautiful parchment. Trace the letters to see what is written on it.



Sofia's Journeys

A Rhythmic Dance

Music comes from the cave. Sofia finds her new friends, the Trolls, dancing with their clubs. It seems easy! Help her learn the movements by tracing these 3 steps.

1

Good Friends

Trace the letters to discover the names of two of Sofia's troll friends.

Someone's Hiding

Look at the scene and find a troll that is hiding!

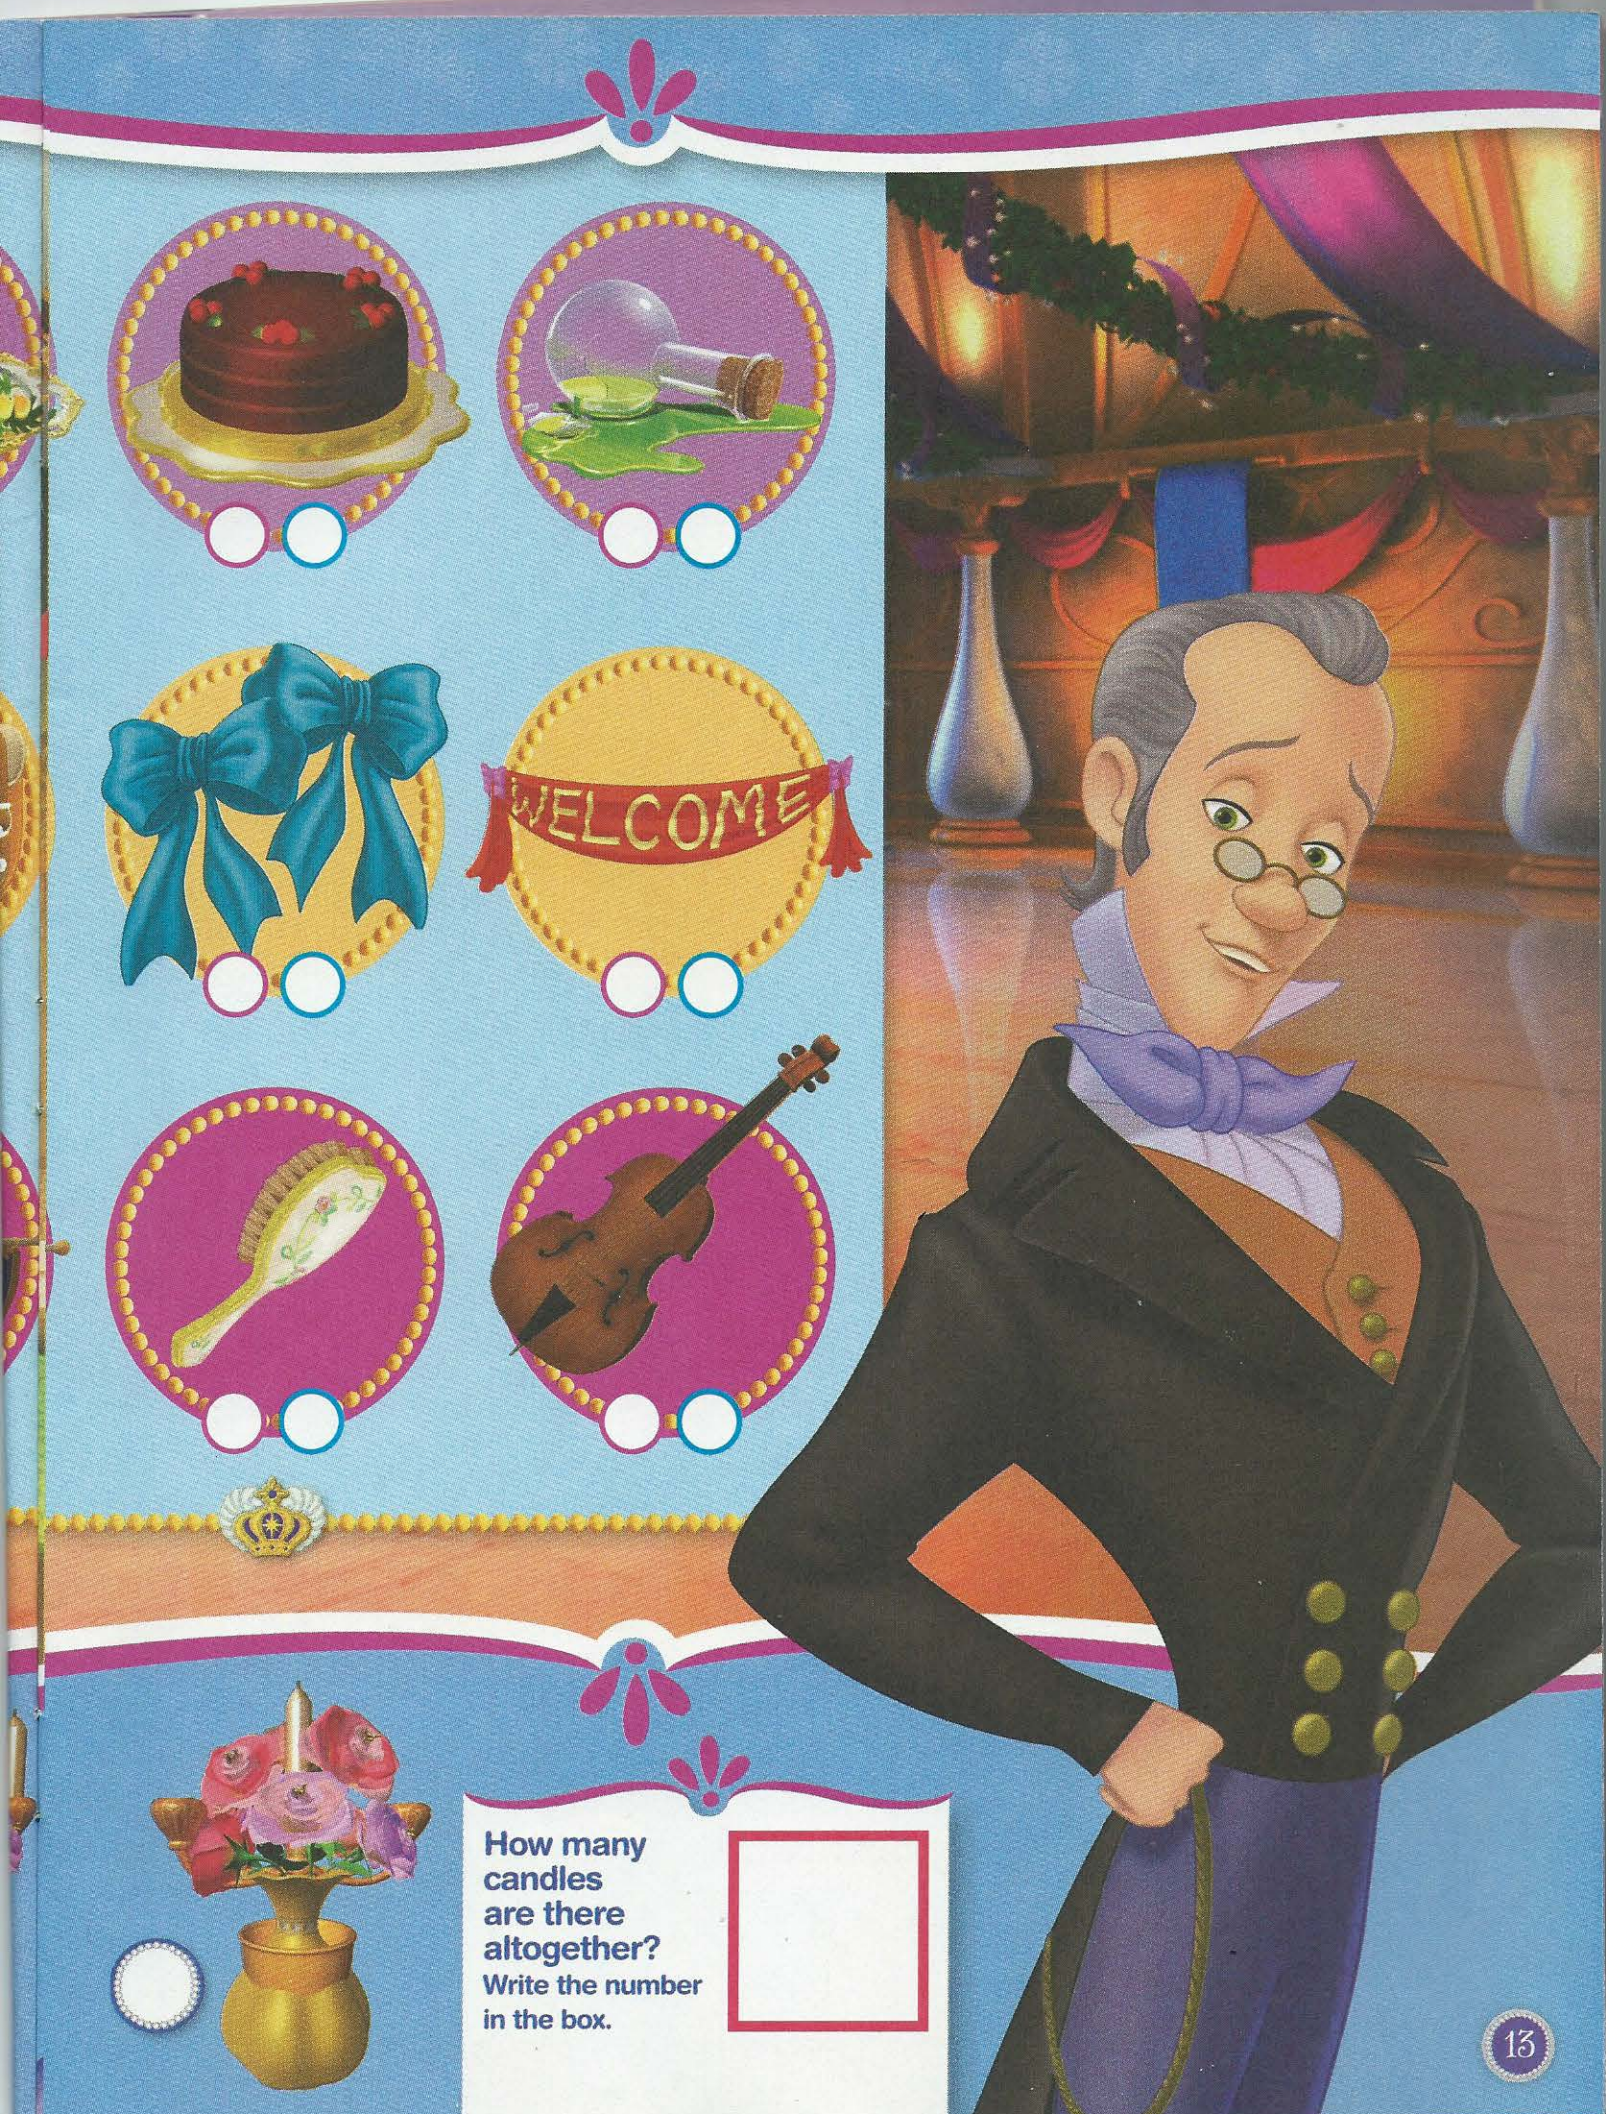
Candlelight

Details are important, and candles are just the right touch! Help Sofia add candles one at a time by numbering the pictures in the correct order.



How many candles are there altogether?
Write the number in the box.

Enchancia Castle

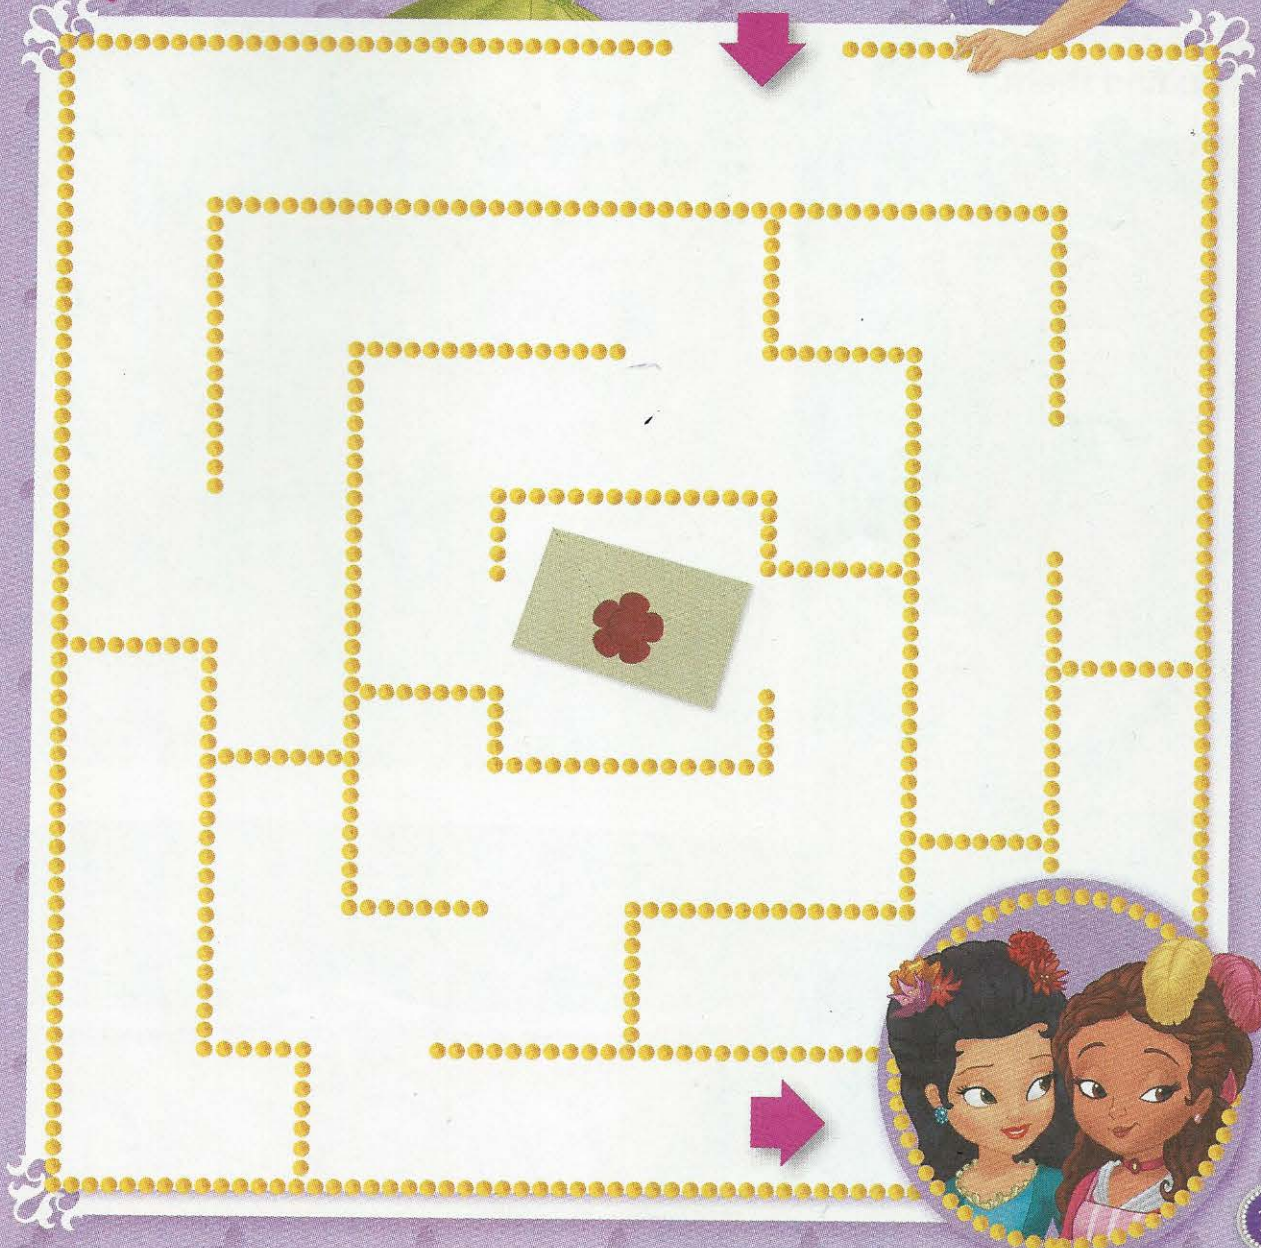
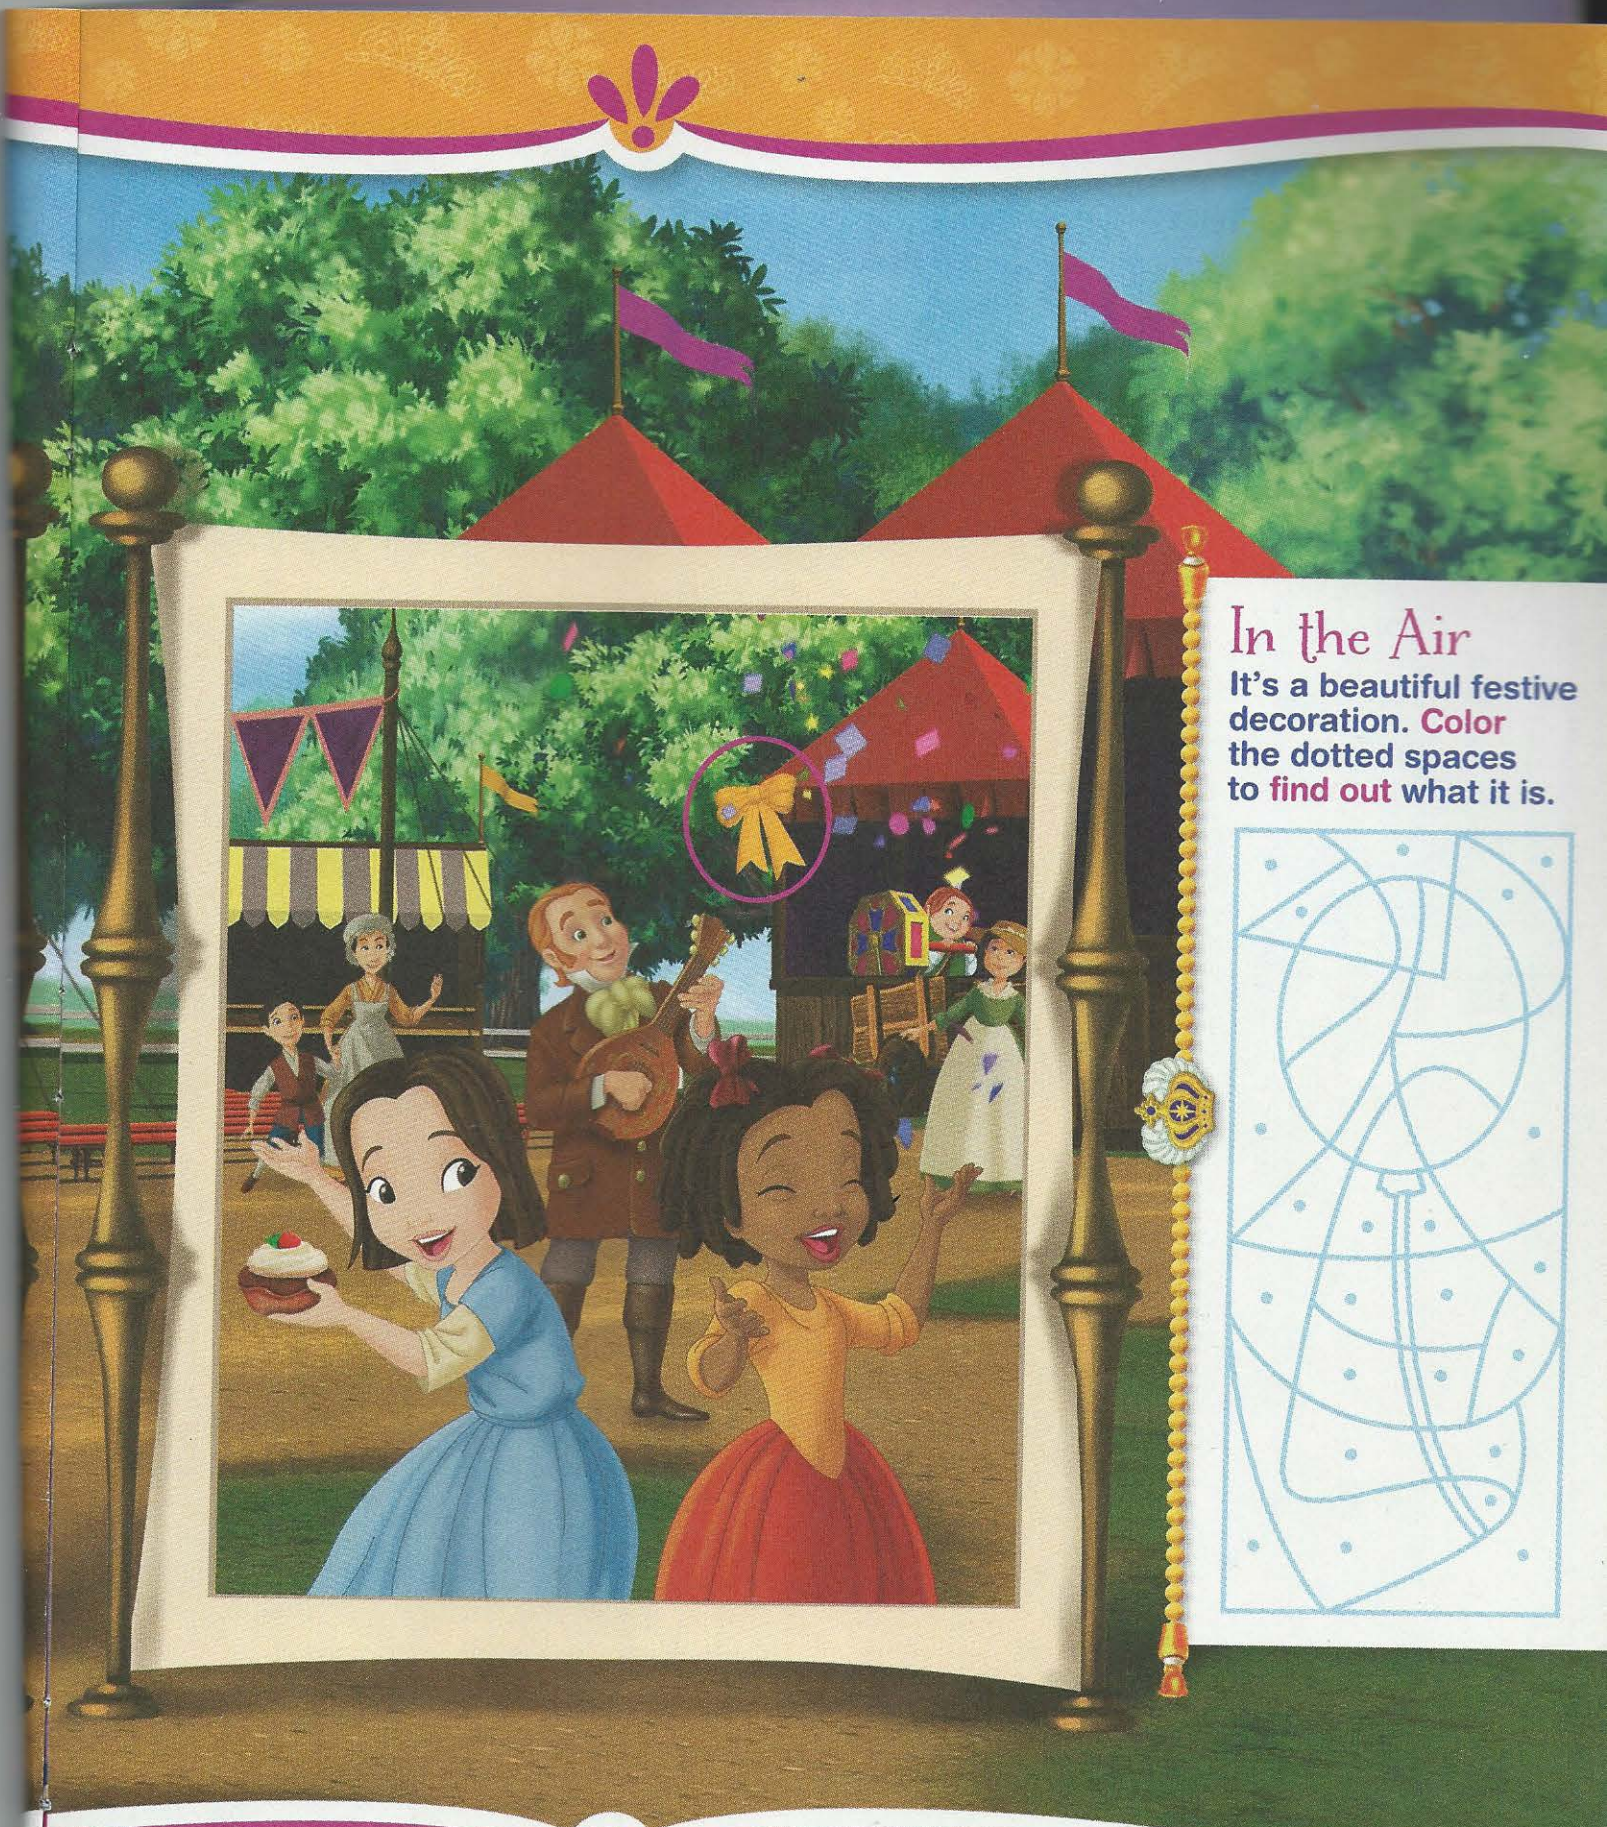
Inviting Friends

Learning about parties at school inspired Amber and Sofia to invite friends to the castle for a slumber party. Find the right path to deliver the invitation to Clio and Hildegard.



Fun at the Village Fair

Sofia wants to invite Ruby and Jade and finds out there are party preparations at the village, too! What makes a good party? Look at the two pictures and circle the 5 differences to find out. Then check each one on the bottom of the page as you find them.



In the Air

It's a beautiful festive decoration. Color the dotted spaces to find out what it is.

Color the circle by the food you can see in the picture.
